

Notice of Weather Cancellation

How do we decide if Religious Education classes are cancelled? As stated in the Faith Formation handbook: if school is closed for the day, if schools are dismissed early or evening school events are cancelled, Religious Education will also be cancelled. Please use your best judgment on driving during inclement weather.

If we decide that we need to cancel classes because of bad weather, please consult these sources for updates:

The local television stations have said that the cancellation information will be put on their website, and **not** on the TV crawl at the bottom on the screen – so don't look for it on TV.

Des Moines Radio Group – the following radio stations will have cancellation announcements on their websites:
